

Klax has been a reliable partner in the education market for parents and families for over 25 years - from early years to adult education. Our pedagogical concept of self-organized learning and the method "learning with goals" are tested, future-oriented and internationally recognized. In addition to the quality of education and care, employee satisfaction is important to us. Klax was also awarded the "Top Job" seal of approval in 2017.

Our Klax Primary School is looking for you as soon as possible

Class Teacher (m/f/d)

for the 1st Grade

Your Roles:

- You individually support all students on their learning journey, empowering them to act independently and in doing so, they live up to our vision of training and educating people who are capable of taking responsibility
- You are responsible for the development and implementation of methodically demanding, self-organized lessons and for evaluating them regularly
- You accompany and advise the students personally in everyday learning and promote their ability to be independent
- You know the Klax concept and implement it consistently

Your Qualifications:

- You have a 2. Staatsexamen or a qualification that is recognized as equivalent in Berlin
- You have experience in self-organized learning with an individual learning objective with a final product as a learning outcome
- You have theoretical and practical experience in dealing with free school concepts and represent the principles of a pedagogy that focuses on the individual development of the child
- You have a great didactic-methodical diversity
- You can complete tasks in a team as well as on your own, are dedicated, creative and communicative and have natural authority

Our Offer:

- A permanent contract
- An adequate salary comparable to the salaries in the state education sector
- You are part of a growing state recognised school with a specific pedagogical concept and can independently make a diverse contribution to the success of our school concept
- Working in a dynamic team with flat hierarchies and a creative environment
- Preparation and training weeks in the summer holidays, training and further education in each Easter and autumn holidays week together with your team, further in-service training and continuing education are supported by the school
- Educational coaching and supervision as required
- Regular offer of the school for exchange of experiences and lessons in schools with similar concepts in other European countries
- Subsidy for childcare costs and sports offer

Have we piqued your interest? Then we look forward to receiving your meaningful application, preferably by e-mail to jobs@klax-online.de. Further information is available at www.klax.de or by e-mail.
