

School Fee Rules of the Klax School

School Fees

The school fees consist of the tuition fee and the catering fee.

At the primary level, the school fees are €580 per month (€6,960 per annum).

At the secondary level, the school fees are €630 per month (€7,560 per annum).

We do not ask about your family income before offering you a school contract, and it does not have any bearing on whether we accept a student.

Calculation

The school fees include:

- At the primary level: breakfast, snacks, fruit/vegetables all day and drinks (tea/water). Lunch is funded by the Senate.
- At the secondary level: breakfast, lunch, snacks, fruit/vegetables all day and drinks (tea/water),
- after school programme, textbooks (excluding workbooks) and any necessary support classes.

The school fees do **not** include:

- School trips, excursions, admission fees

Discounts on the monthly school fees (not including the fixed board rate):

- A loyalty discount of 25% for every child who has attended a Klax daycare centre or school for at least one year and attends our primary or secondary level immediately afterwards.
- Sibling discount for multiple school-aged children at the Klax School (after deduction of any loyalty discount that may have been granted):
 - o 1st sibling: 25%
 - o 2nd sibling: 50%
 - o 3rd sibling: 75%

Exemption from school fees or school fee reduction

Families with a gross annual income of up to € 29.420 (Family income/income of dependents) may apply for a reduction of the tuition fee. Decisions are made by the Provider after a case-by-case examination. The catering fee included in the total price must always be paid. The request can be made at any time (to the Provider's Customer Management Department), and it will be taken into account from the first day of the month following the month in which the request was made. Exemptions or reductions only apply for one school year or until the end of the same school year if the request was made after it started. The request must be renewed for every school year. Only complete requests can be taken into consideration.
