Exemptions and Fee Reductions

For a proven gross annual household income of up to € 29,429, the tuition fee including catering is reduced to € 100 per month. In this case, the enrolment fee is waived.

In addition, the school provider allocates 10% of total tuition revenue for full or partial fee remission for pupils in financial need.

Applications for exemption or reduction may be submitted to the school provider at any time. Decisions are made on a case-by-case basis upon proof of financial need.

Approved reductions will take effect from the first day of the month following submission.

Fee exemption or reduction apply only for one school year or, if granted after the start of the school year, until the end of that school year. A new application must be submitted for each school year.

Only complete applications can be processed.
